

Gear for the Adventurer

North America “What to Pack” List: for all North American & Canadian Tauck Culturios, Bridges, and Alaska adventures

Pack comfortable and casual clothing in quick-drying, “breathable” fabrics that offer sun protection, weather protection, and versatility – styles that can be easily layered as changing conditions, weather patterns, and temperatures dictate.

Here is the list of Essential Items you should plan on taking with you on your Tauck adventure anywhere in North America. Should you need to purchase any of them for your upcoming trip, simply print this page and use it as a reference as you browse, click, and shop your way through the “North America” Shop by Destination category in Necessary Gear. You’ll find everything you need in our “easy-to-use, one-stop shop.”
